

We started with a breakthrough and an entrepreneurial spirit. Imagining. Inventing. Inspiring.
And now, our vision is to touch it all.
Helping homeowners to live without fear, and designers to create without limits.

More than 20 years ago, we pioneered the industry, and our innovation continues each and every day.

We believe you don't have to sacrifice soft and luxurious product for the sake of performance.

Let us prove that to you.

Fabric intelligence.

Part magic.**

**Welcome to Crypton.
More than fabric.
More than design.
More than technology.
Fabric intelligence.**

No worries. No limits.

- Superior stain repellency makes cleaning easy
- Odor resistance
- Soft, beautiful, and perfectly suited for everyday living
- Releases both oil- and water-based stains
- Unrestricted fabric selection, including linens, velvets, and more
- Free of harsh chemicals
- Protection sealed into every fiber for the life of the fabric

Intelligent fabrics for the indoors.

That's what Crypton® Home Fabric provides. Using the same technology as our contract fabrics, this line is ready for years of high use, without sacrificing a residential look and feel. We'll be there, protecting it all. Resisting stains. Repelling odors. And keeping moisture at bay. Always.

- Easy care, requires no harsh cleaners
- Engineered durability with a 2-year warranty
- A focus on sustainability (GREENGUARD Gold Certified technology)

Let us be your canvas.

Crypton Home Fabrics are available in a wide variety of fibers, colors, textures, and patterns. It's all the freedom you need to create without limits.

Protecting your things. Protecting the planet.

At Crypton, we believe sustainable solutions are our responsibility.

- We are third-party GREENGUARD Gold Certified, helping to create healthier, more sustainable indoor environments.
- We are free of potentially harmful levels of PFOS, PFOA, formaldehyde, heavy metals, phenols, phthalates, and odor and skin sensitizers.
- Crypton has no halogenated flame retardants (e.g., PBDE).
- We maintain an ongoing recycling program of manufacturing remnants.
- And more
