

# DESIGNERS TODAY

style. substance. soul.

## COASTAL LIVING MAGAZINE + UNIVERSAL

Escape is a state of mind, or in this case *Escape* is a whole-home furniture collection, with the materials (slipcovers out of Crypton fabrics), colors (indigo and white), and textures (stainless steel and natural wovens) to please coast and city folk alike. The mood is collected, not matchy-matchy. (Universal, 101 S. Hamilton St.)
