

**We protect  
sofas, chairs,  
walls, and  
our planet.**

Our heritage is performance. It is what we do. We create textile solutions that protect and defend with a soft, sustainable touch.

Crypton is synonymous with superior stain, spill, and odor resistance with permanent performance that works on a molecular level. We give you the freedom to design beautiful, innovative spaces that stand the test of time (and tough environments) every time, without compromise.

25 years ago, we revolutionized upholstery textiles with the introduction of Crypton Super Fabrics. Today, we are the textile leader in healthcare, hospitality, office, and residential environments. Welcome to Crypton, Fabric Intelligence.

**Innovative. Safe. Green. Tested.**

- Resists, repels, and releases oil- and water-based stains
- Integrated liquid barrier
- Protection sealed into every fiber for the life of the fabric
- Resists the growth of odor-causing microbes
- Flammability (FR) standards are tailored for each region and/or application
- Engineered durability
- 5-year warranty
- Easy to clean
- GREENGUARD GOLD CERTIFIED for exceptional sustainability
- Extends the life of furniture
- Most specified performance fabric worldwide... 25 years and counting
- Soft hand, sustainable touch

For life's  
busiest  
places.

From hospital waiting rooms to luxury hotels, schools, restaurants, and beyond, Crypton creates fabrics built to protect, preserve, and keep your world clean. We understand that we're protecting more than furniture. We're protecting investments. Protecting experiences and the environment by significantly reducing replacement costs. Ensuring clean, beautiful fabrics day after day.

Our performance is permanent, customized, and guaranteed, with 14+ patents to ensure it. Crypton not only meets/exceeds all contract standards, it sets most of them with a game-changing integrated moisture barrier, unique disinfectability, and a 5-year warranty.

**It's more than fabric performance.  
It's Fabric Intelligence, built in.**

## Every need. Every surface.

### **Crypton Super Fabric**

Crypton offers a wide range of patterns, textures, designs and colors that are guaranteed to protect against stains, spills, and odors. The only fabric with an integrated liquid barrier, Crypton is soft yet strong and easy to clean.

### **Crypton Home**

Using the same technology as Crypton Super Fabric, Crypton Home is designed for residential use – with the look and feel of home. Soft, subtle and livable, it resists stains and repels odors, letting you create without limits.

### **Crypton Revl**

Designed to perform under the toughest of conditions, Revl is a revolutionary coated fabric that is extremely durable, easy to clean, and odor-resistant. It stands up to repeated cleanings and disinfectants, remaining forever beautiful.

### **Crypton Leather**

We offer the first and only stain-, spill-, and odor-resistant leather. It's luxurious leather, now available for high-use settings.

## A beautiful space, ready for anything.

With Crypton Home, furniture can stand up to anything life throws at it. It resists stains. It combats odors. It keeps moisture at bay. And it ends up looking beautiful day after day, year after year. With exceptional design choices, Crypton can transform any home into a smarter, more prepared haven.
